

TODOTOYS

CG JUNG & SHREK: SAME SAME

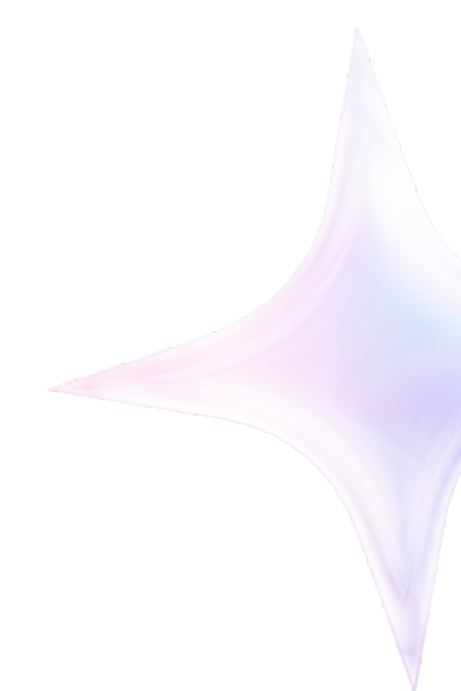

Creative play and storytelling are central to the human experience.

From the depths of psychoanalysis to beloved mainstream films fairytales and imaginative play hold some of humanity's most essential truths.

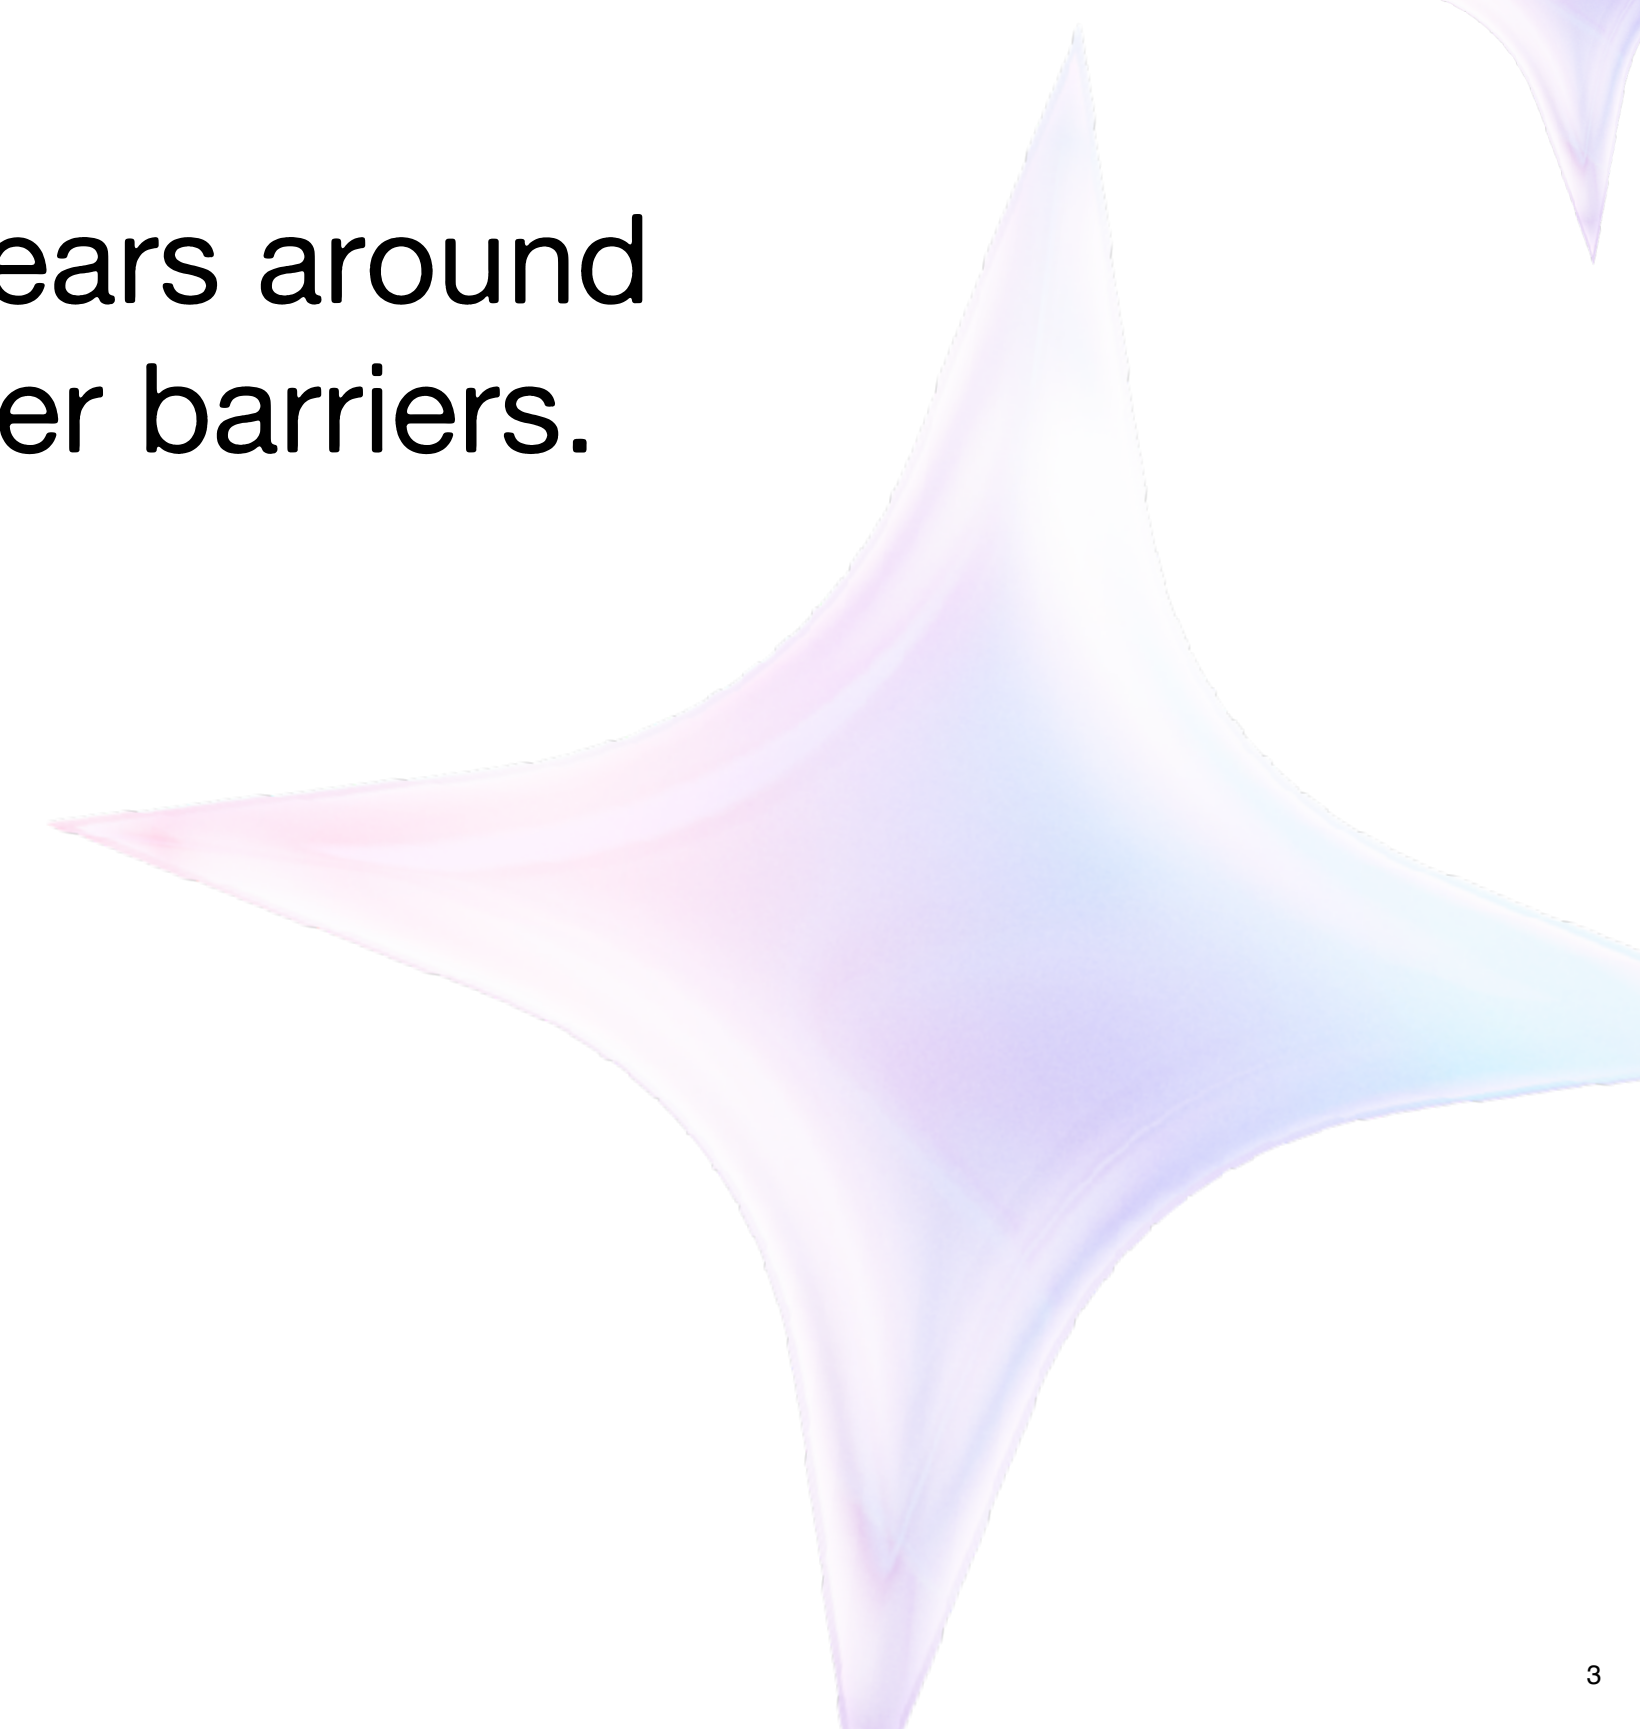

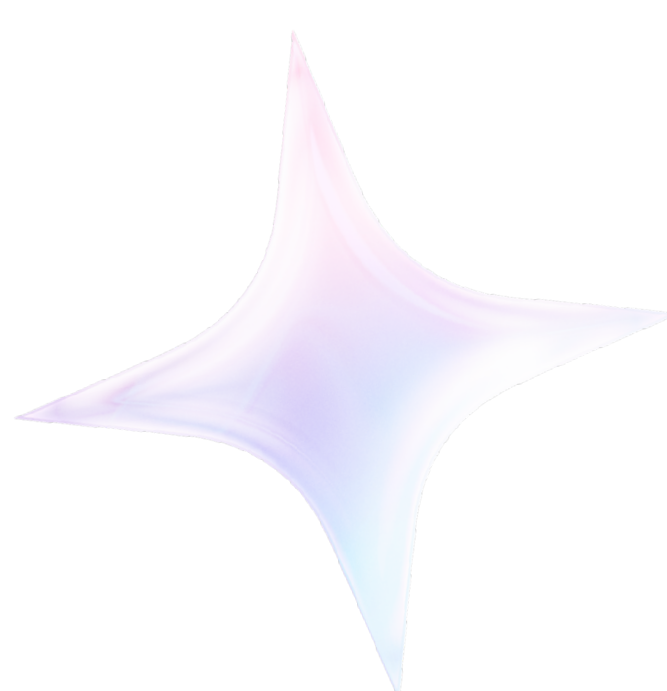

Toys in 2026

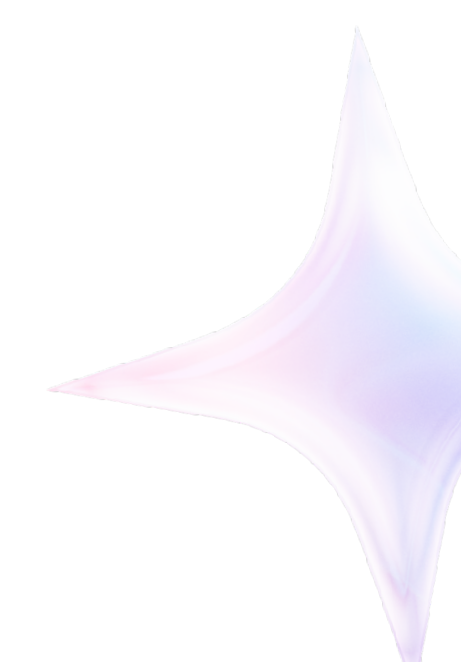

There has been a massive shift in the past years around toys and play. Dissolving the age and gender barriers.

And above all Category.

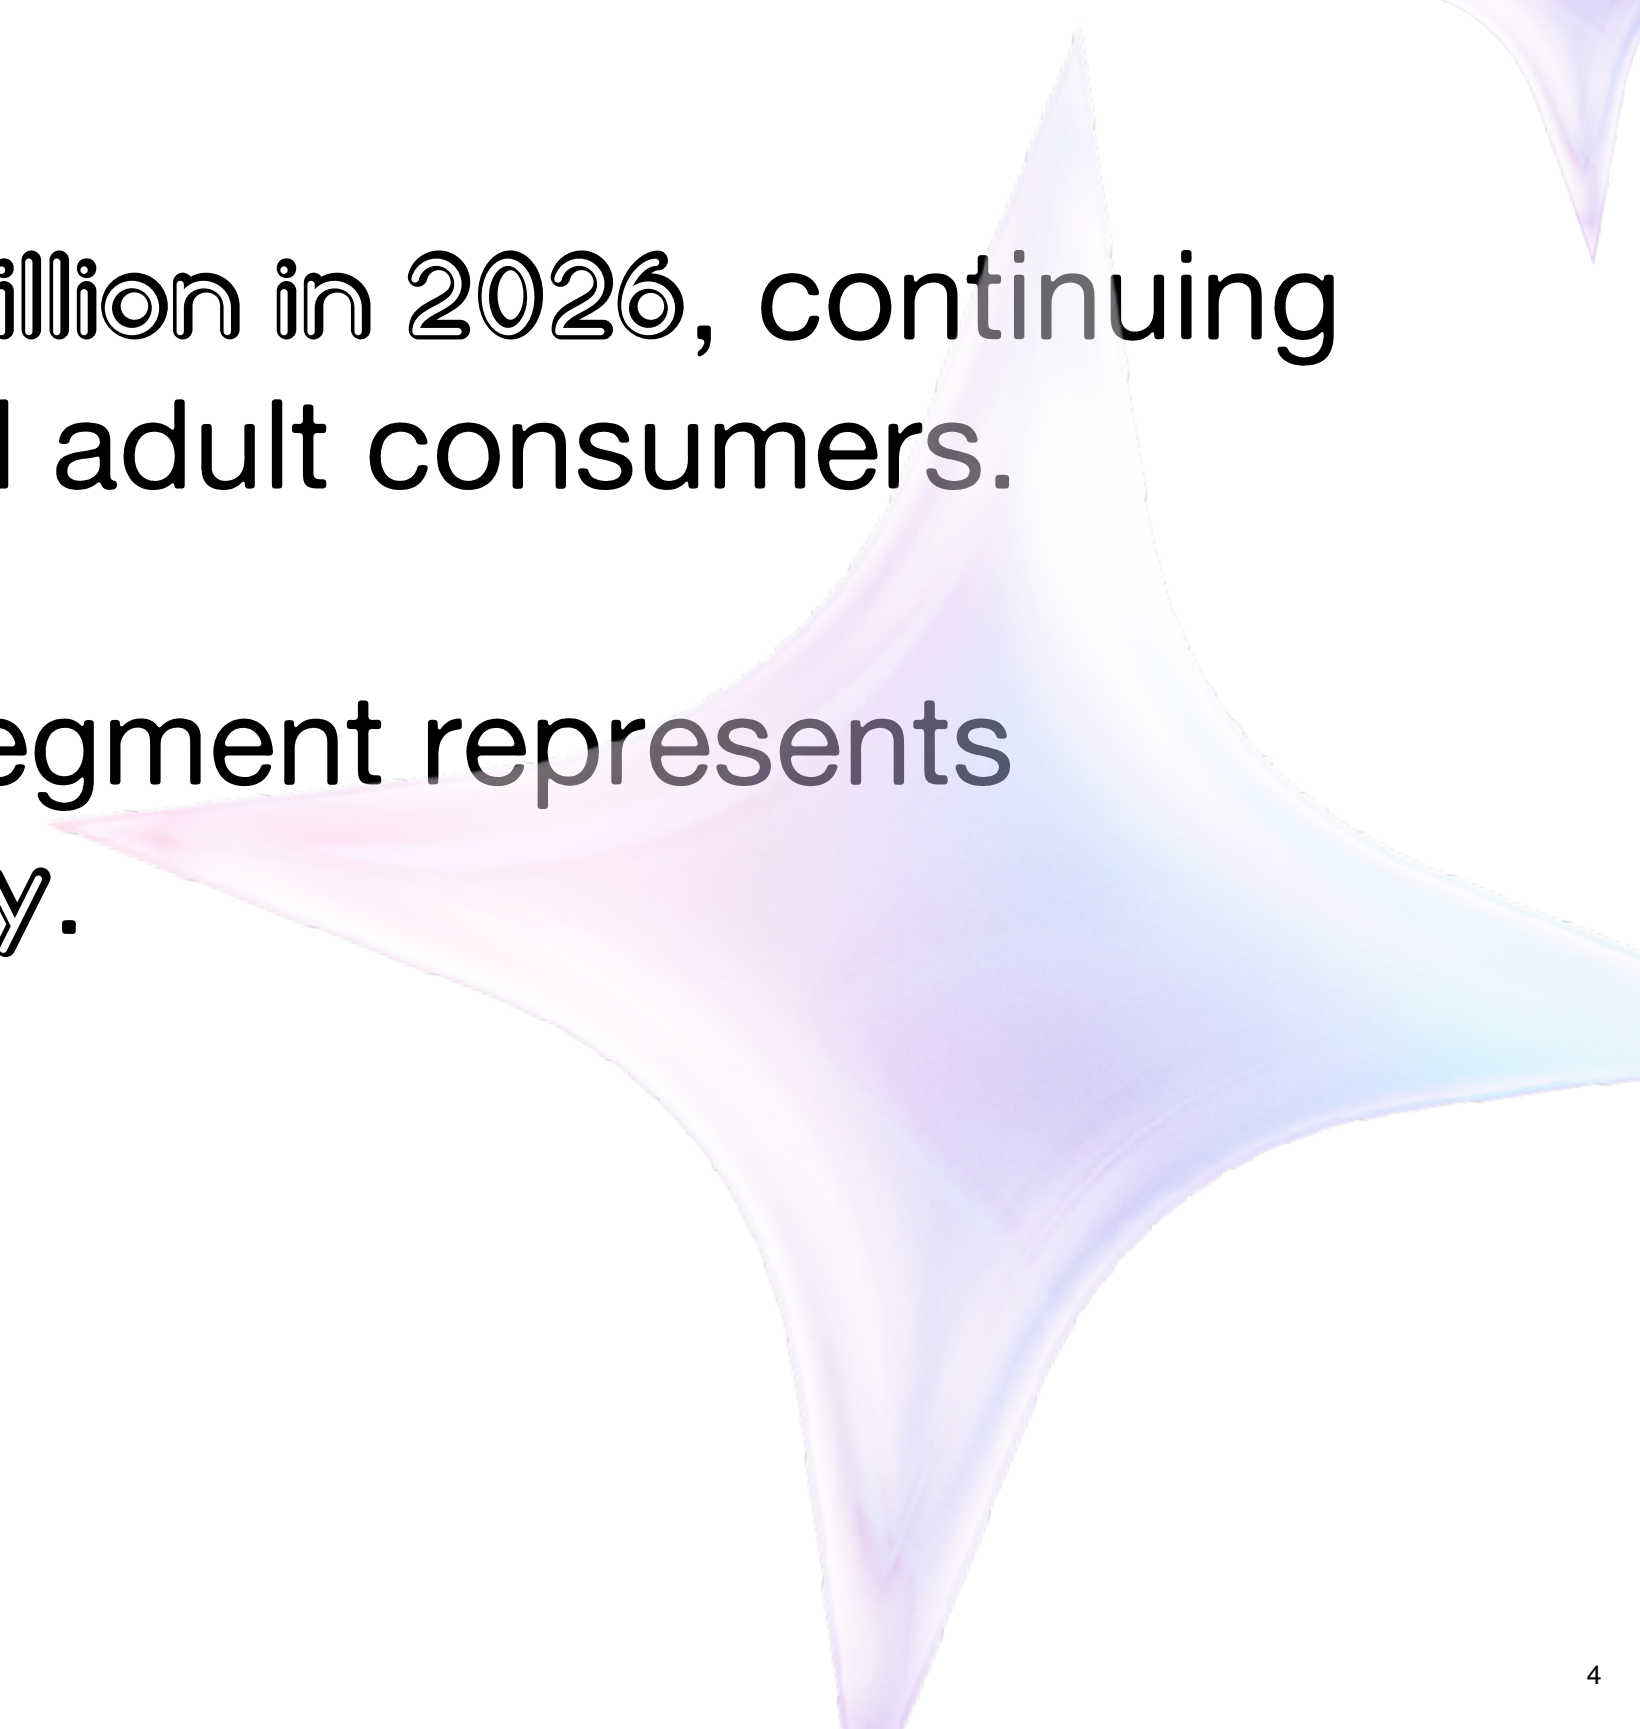

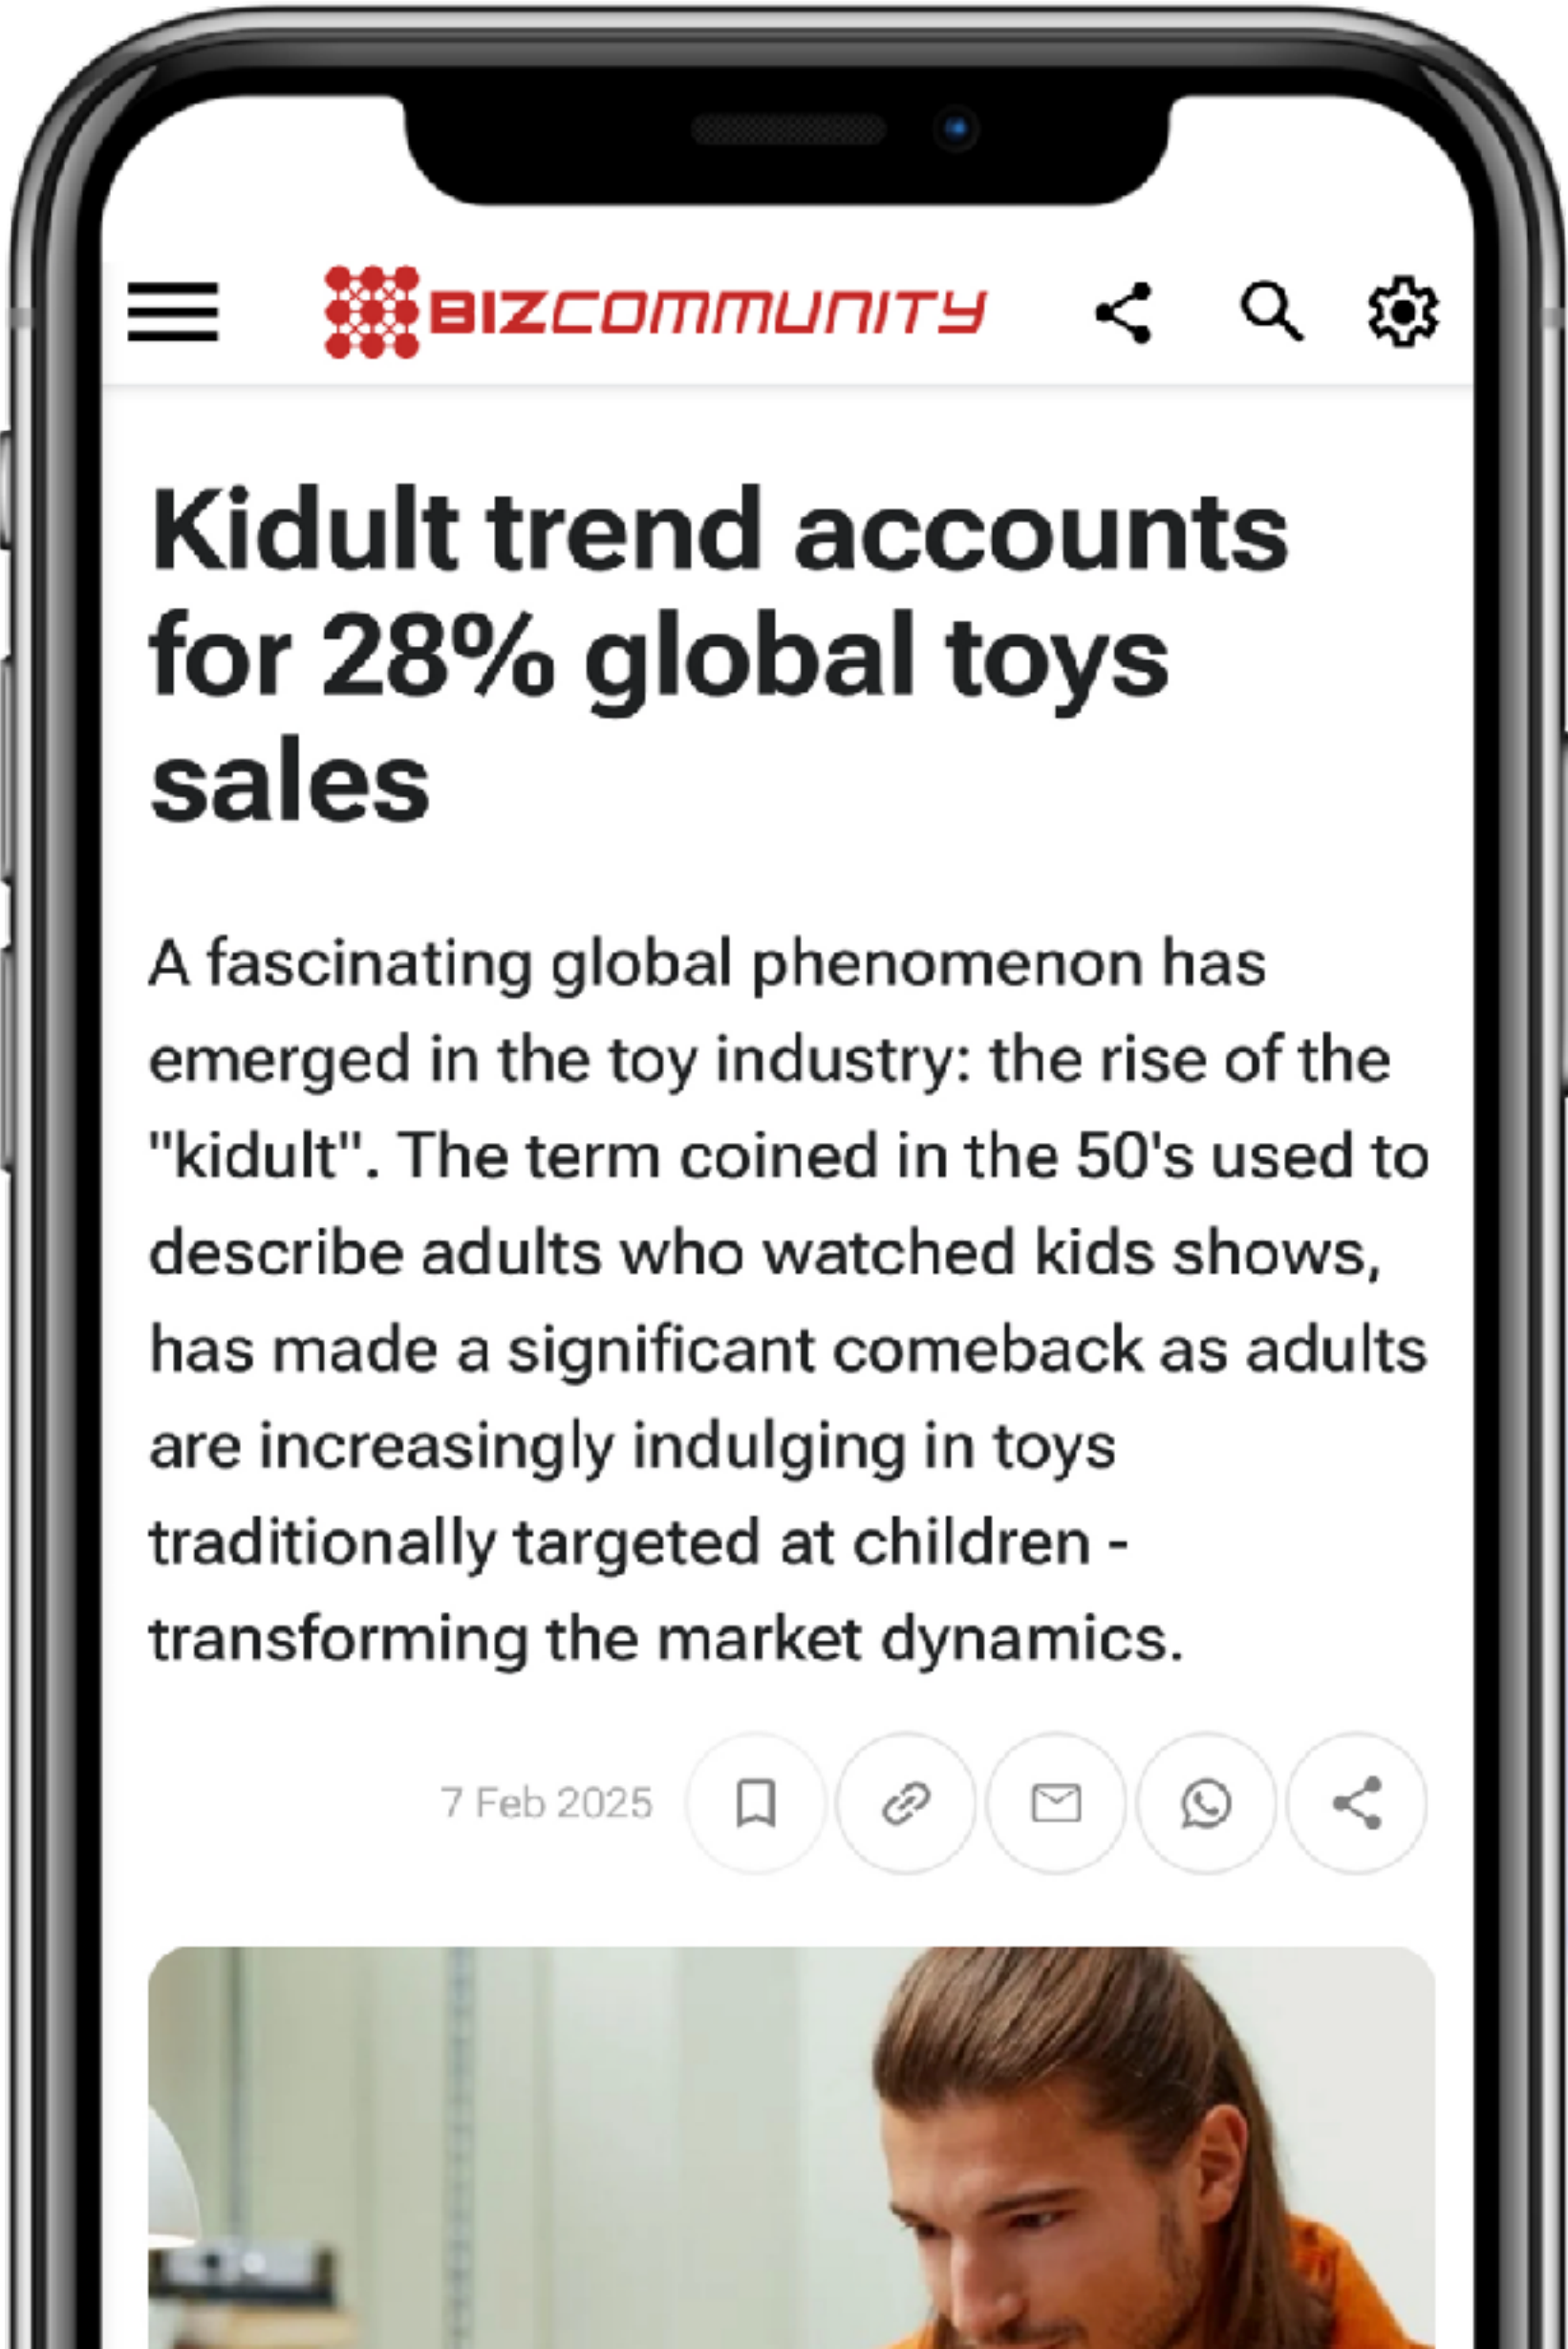

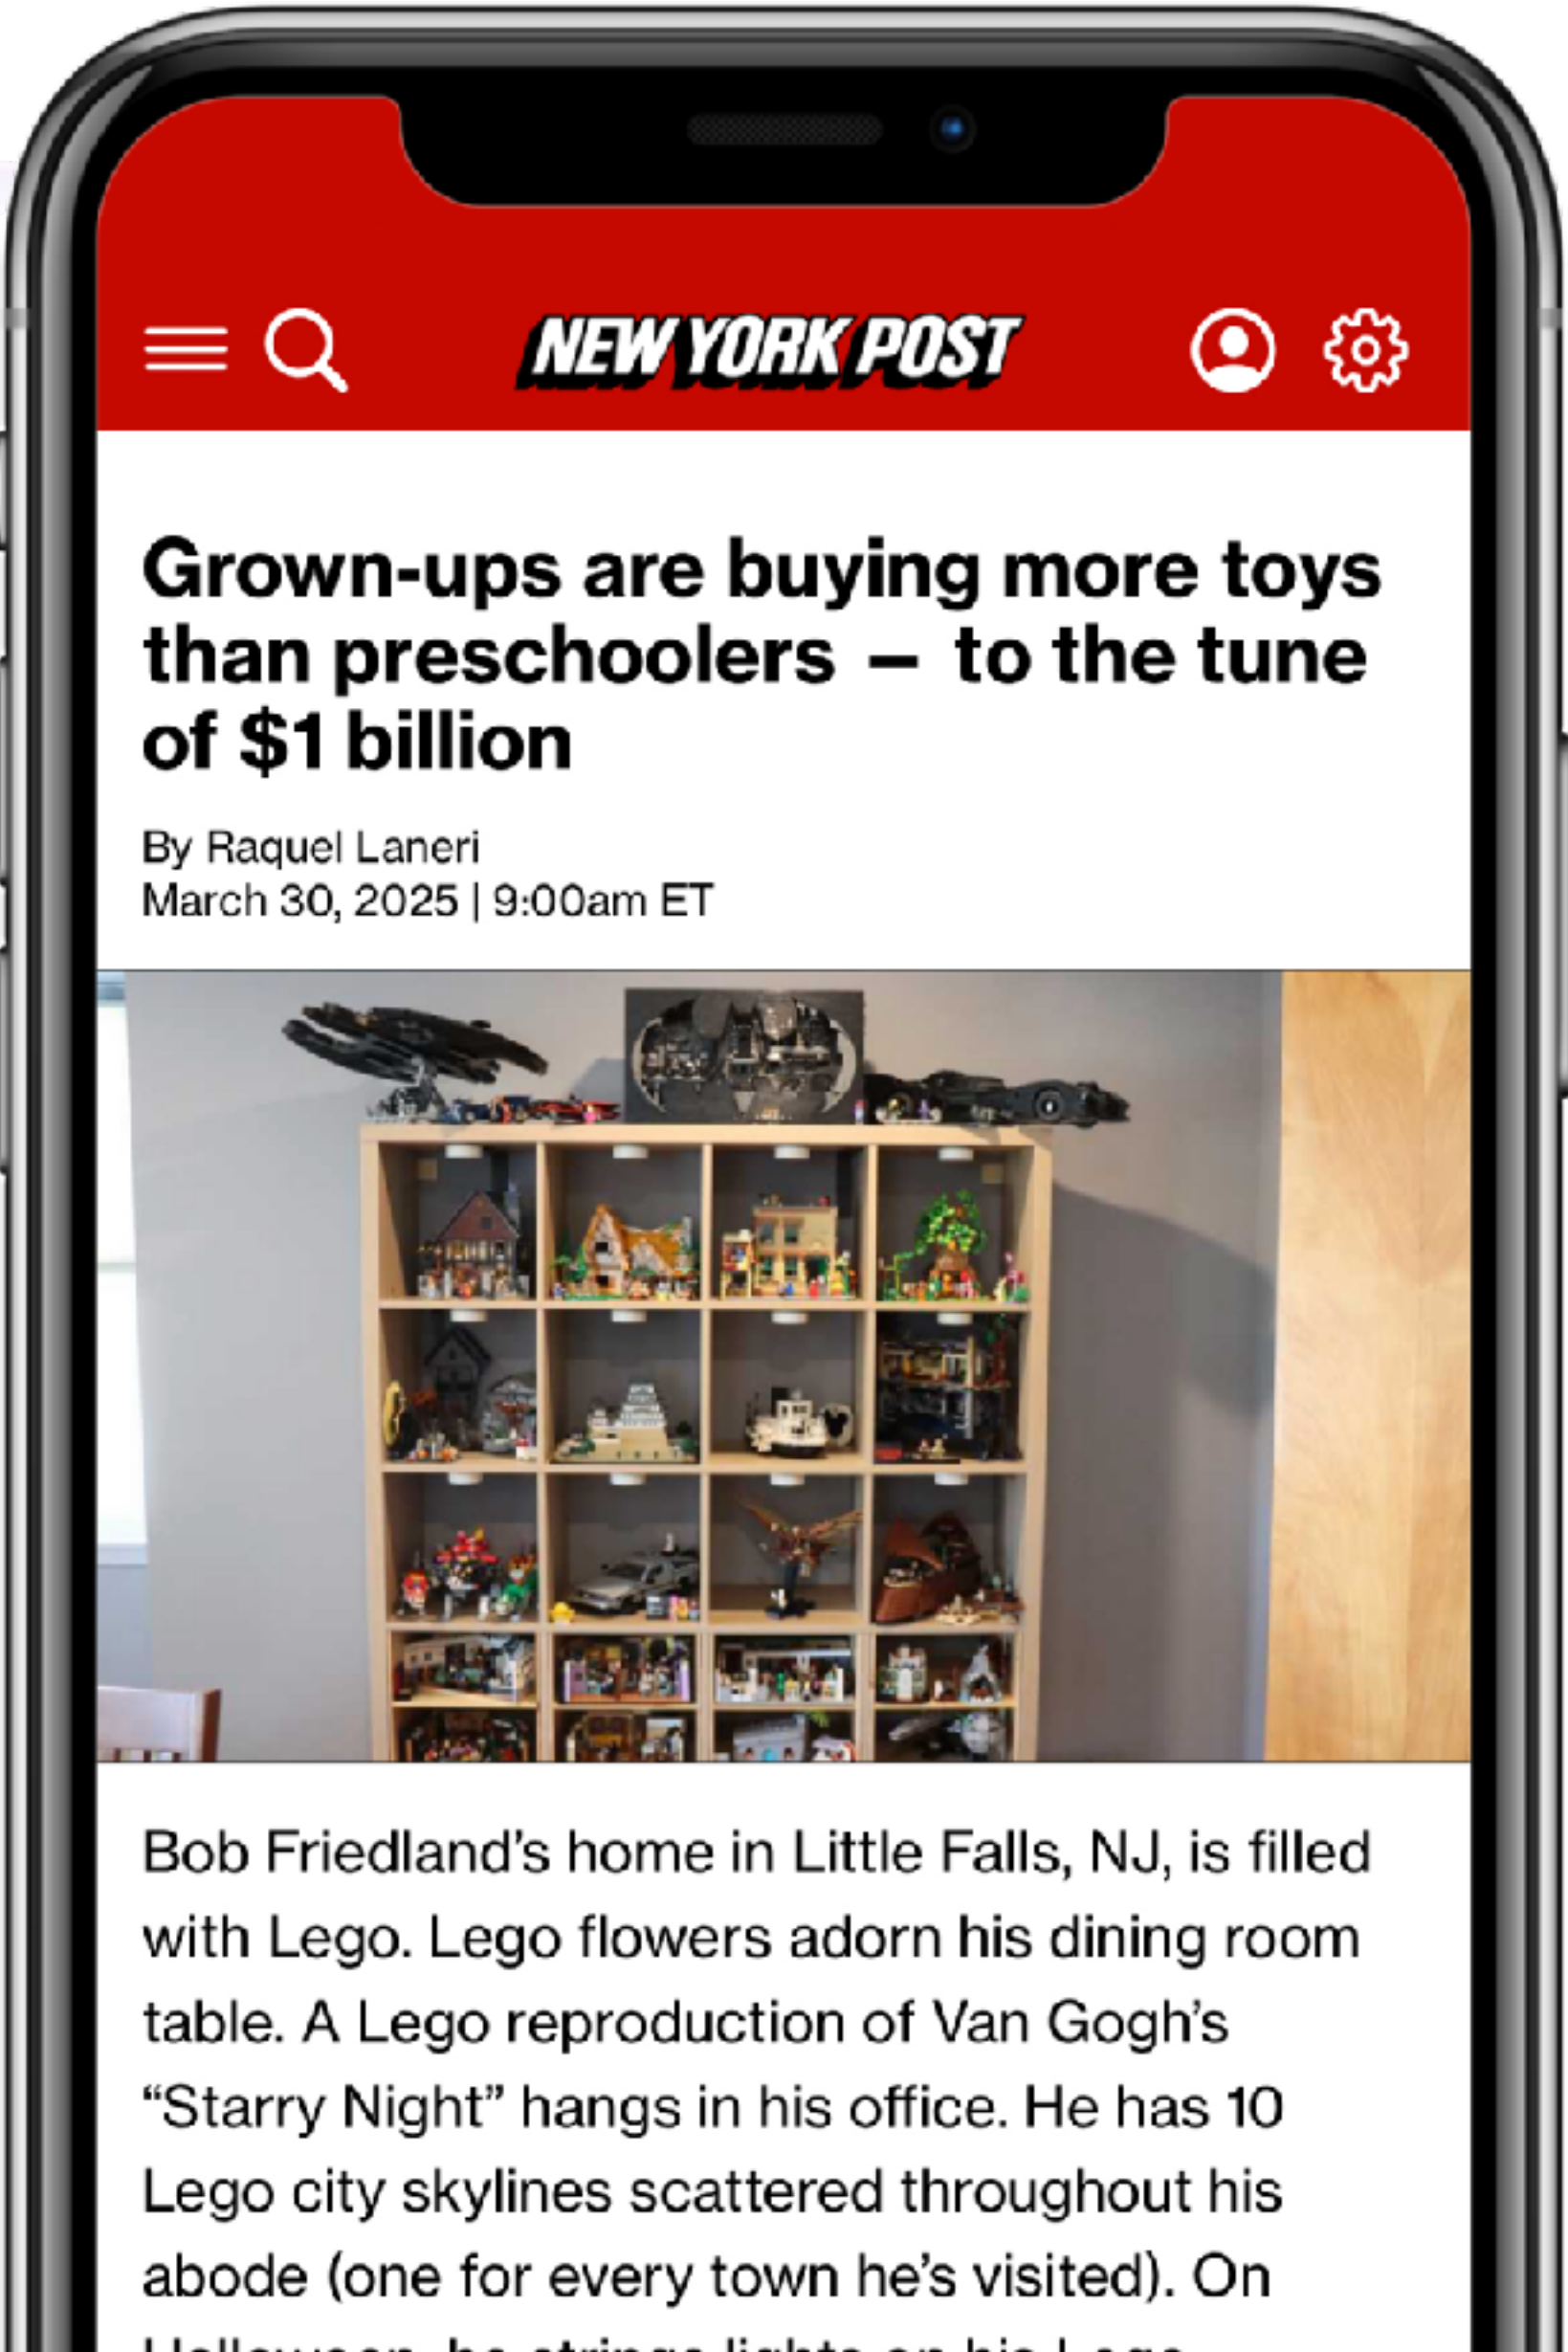

The Rise of Kidults

The global toys & games market is estimated at ~\$360 billion in 2026, continuing steady growth driven by collectibles, licensing, and adult consumers.

With kidults accounting for ~28% of demand, the segment represents approximately \$100+ billion globally.

Adults in 2026:

About Todotoys

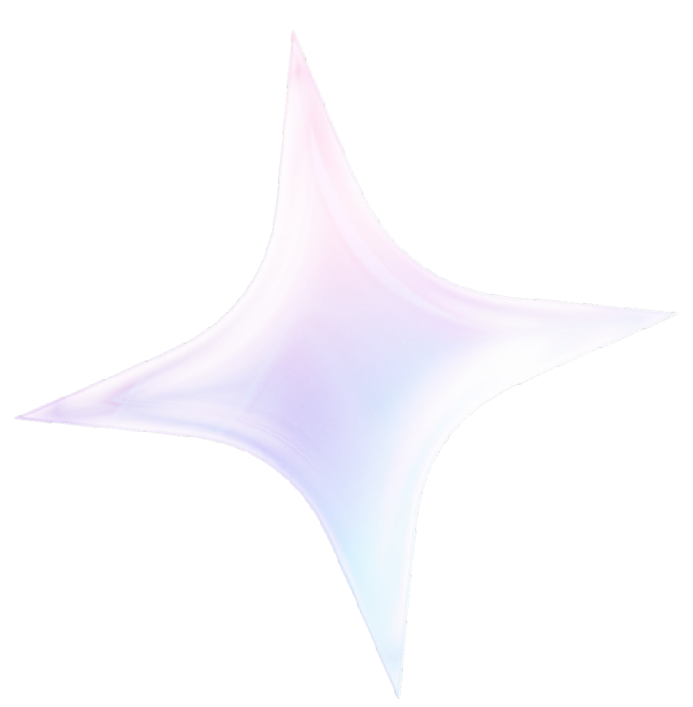

We deliver end-to-end product solutions.
From toys concepts, designs, production to global distribution.

TODOTOYS

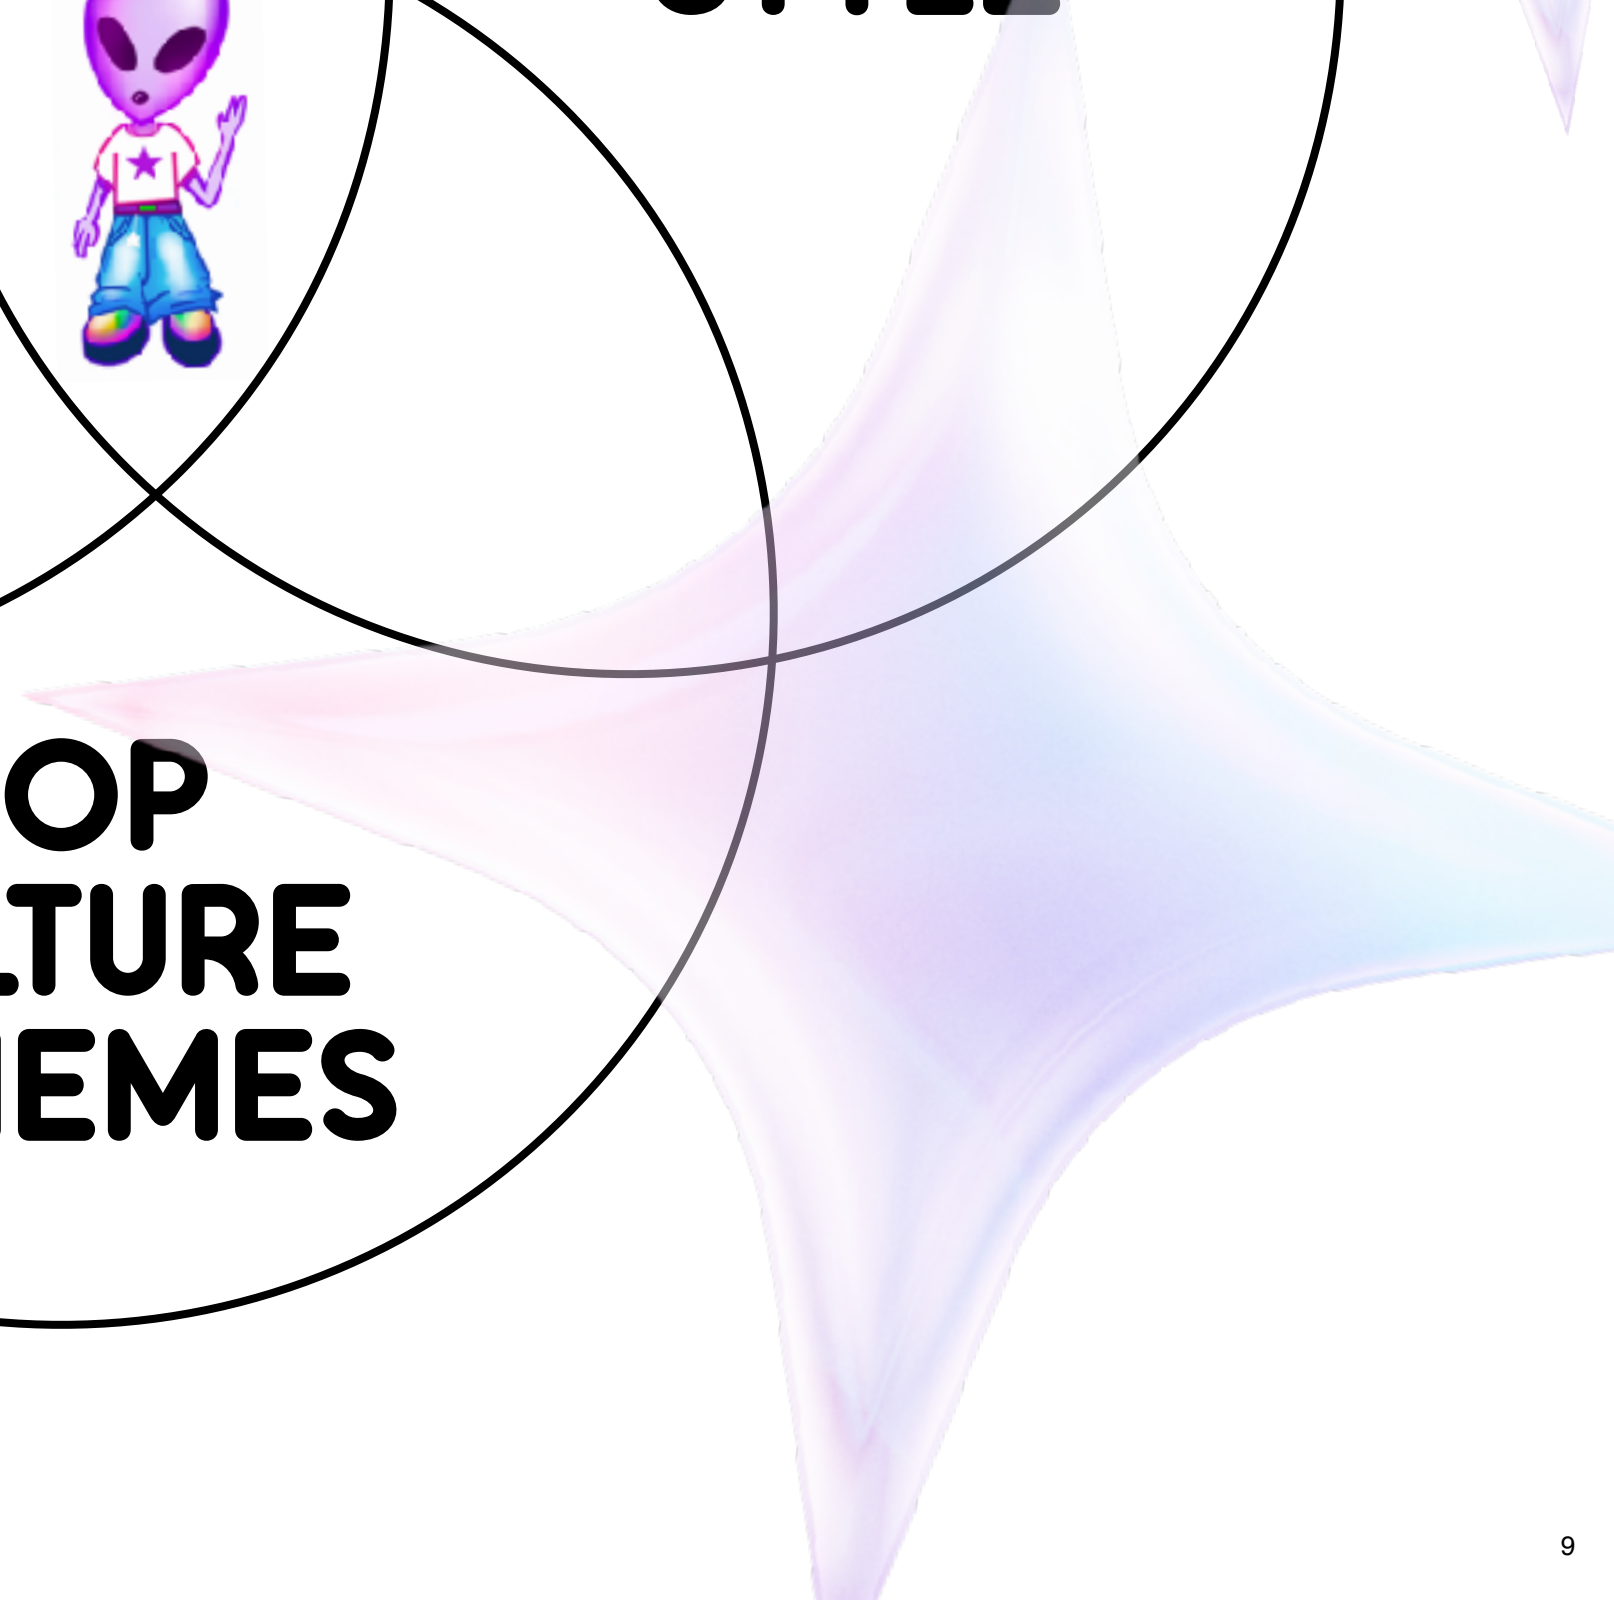

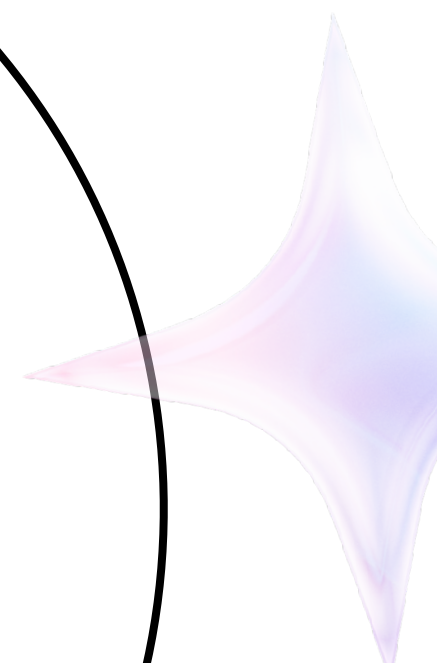

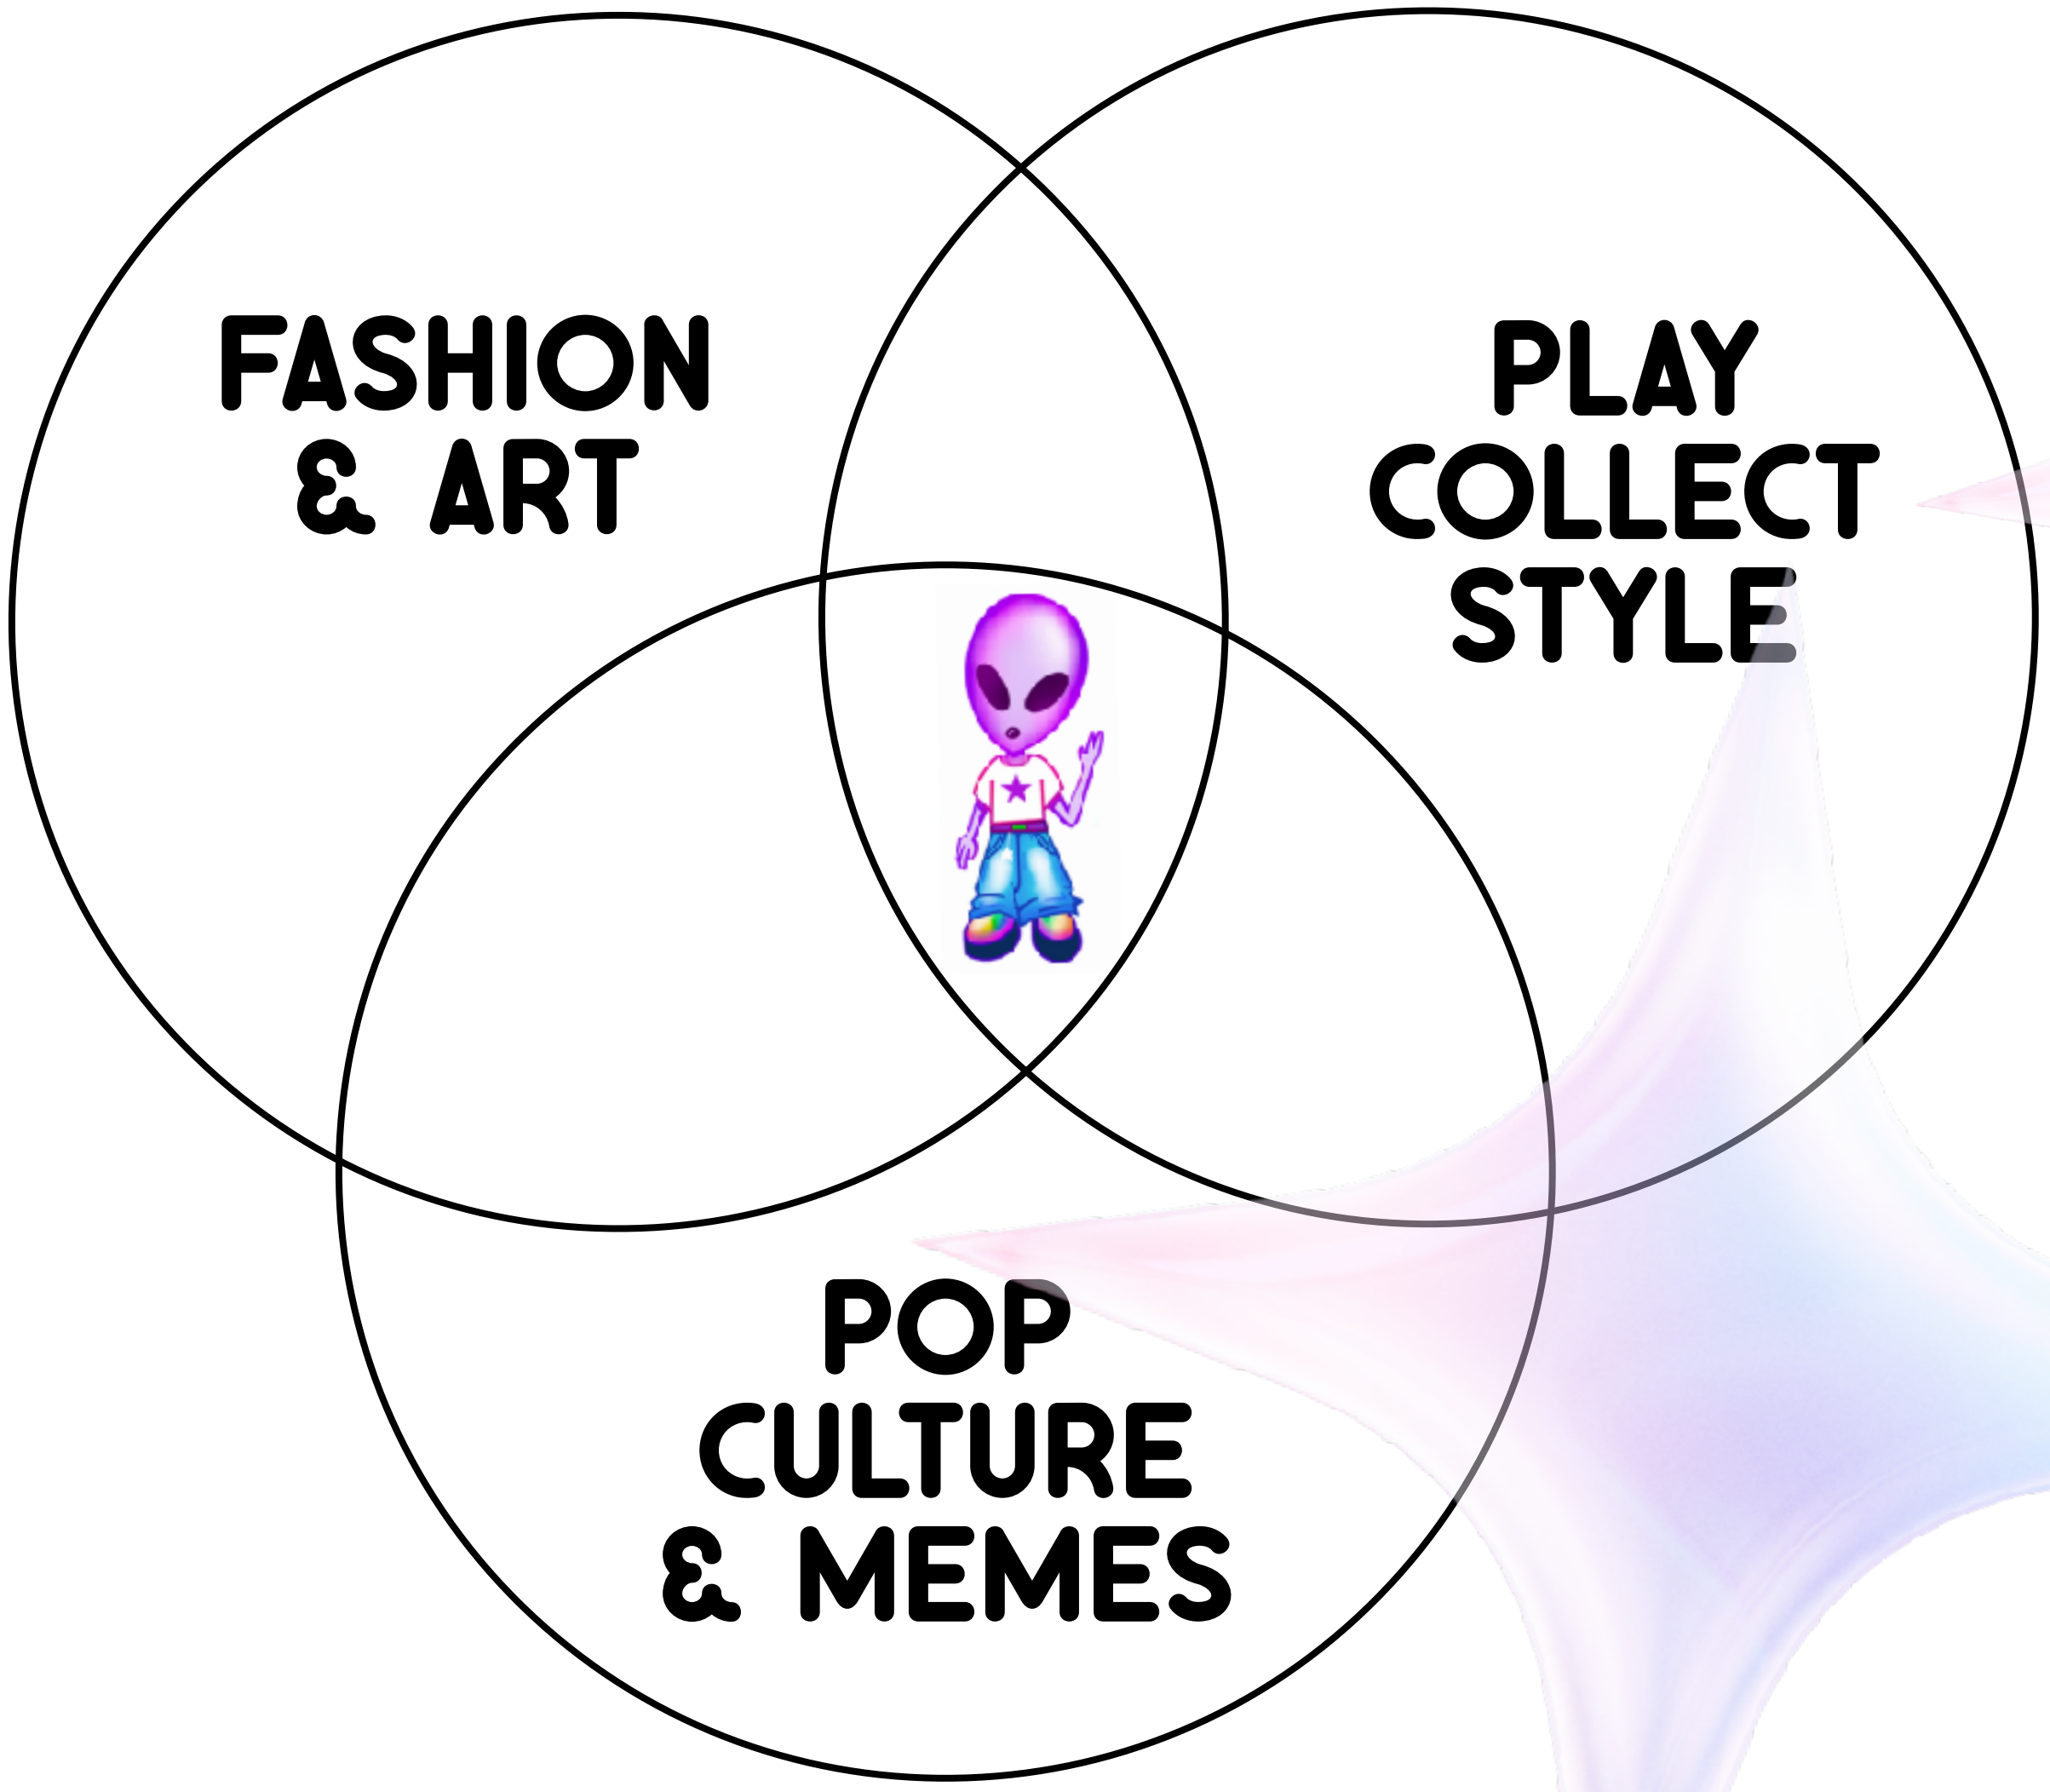

End-to-end product solutions

Strategy
Concept
Design
Production
Global Distribution

TODOTOYS creates toys and objects at the intersection of **fashion/art, pop culture, and play.**

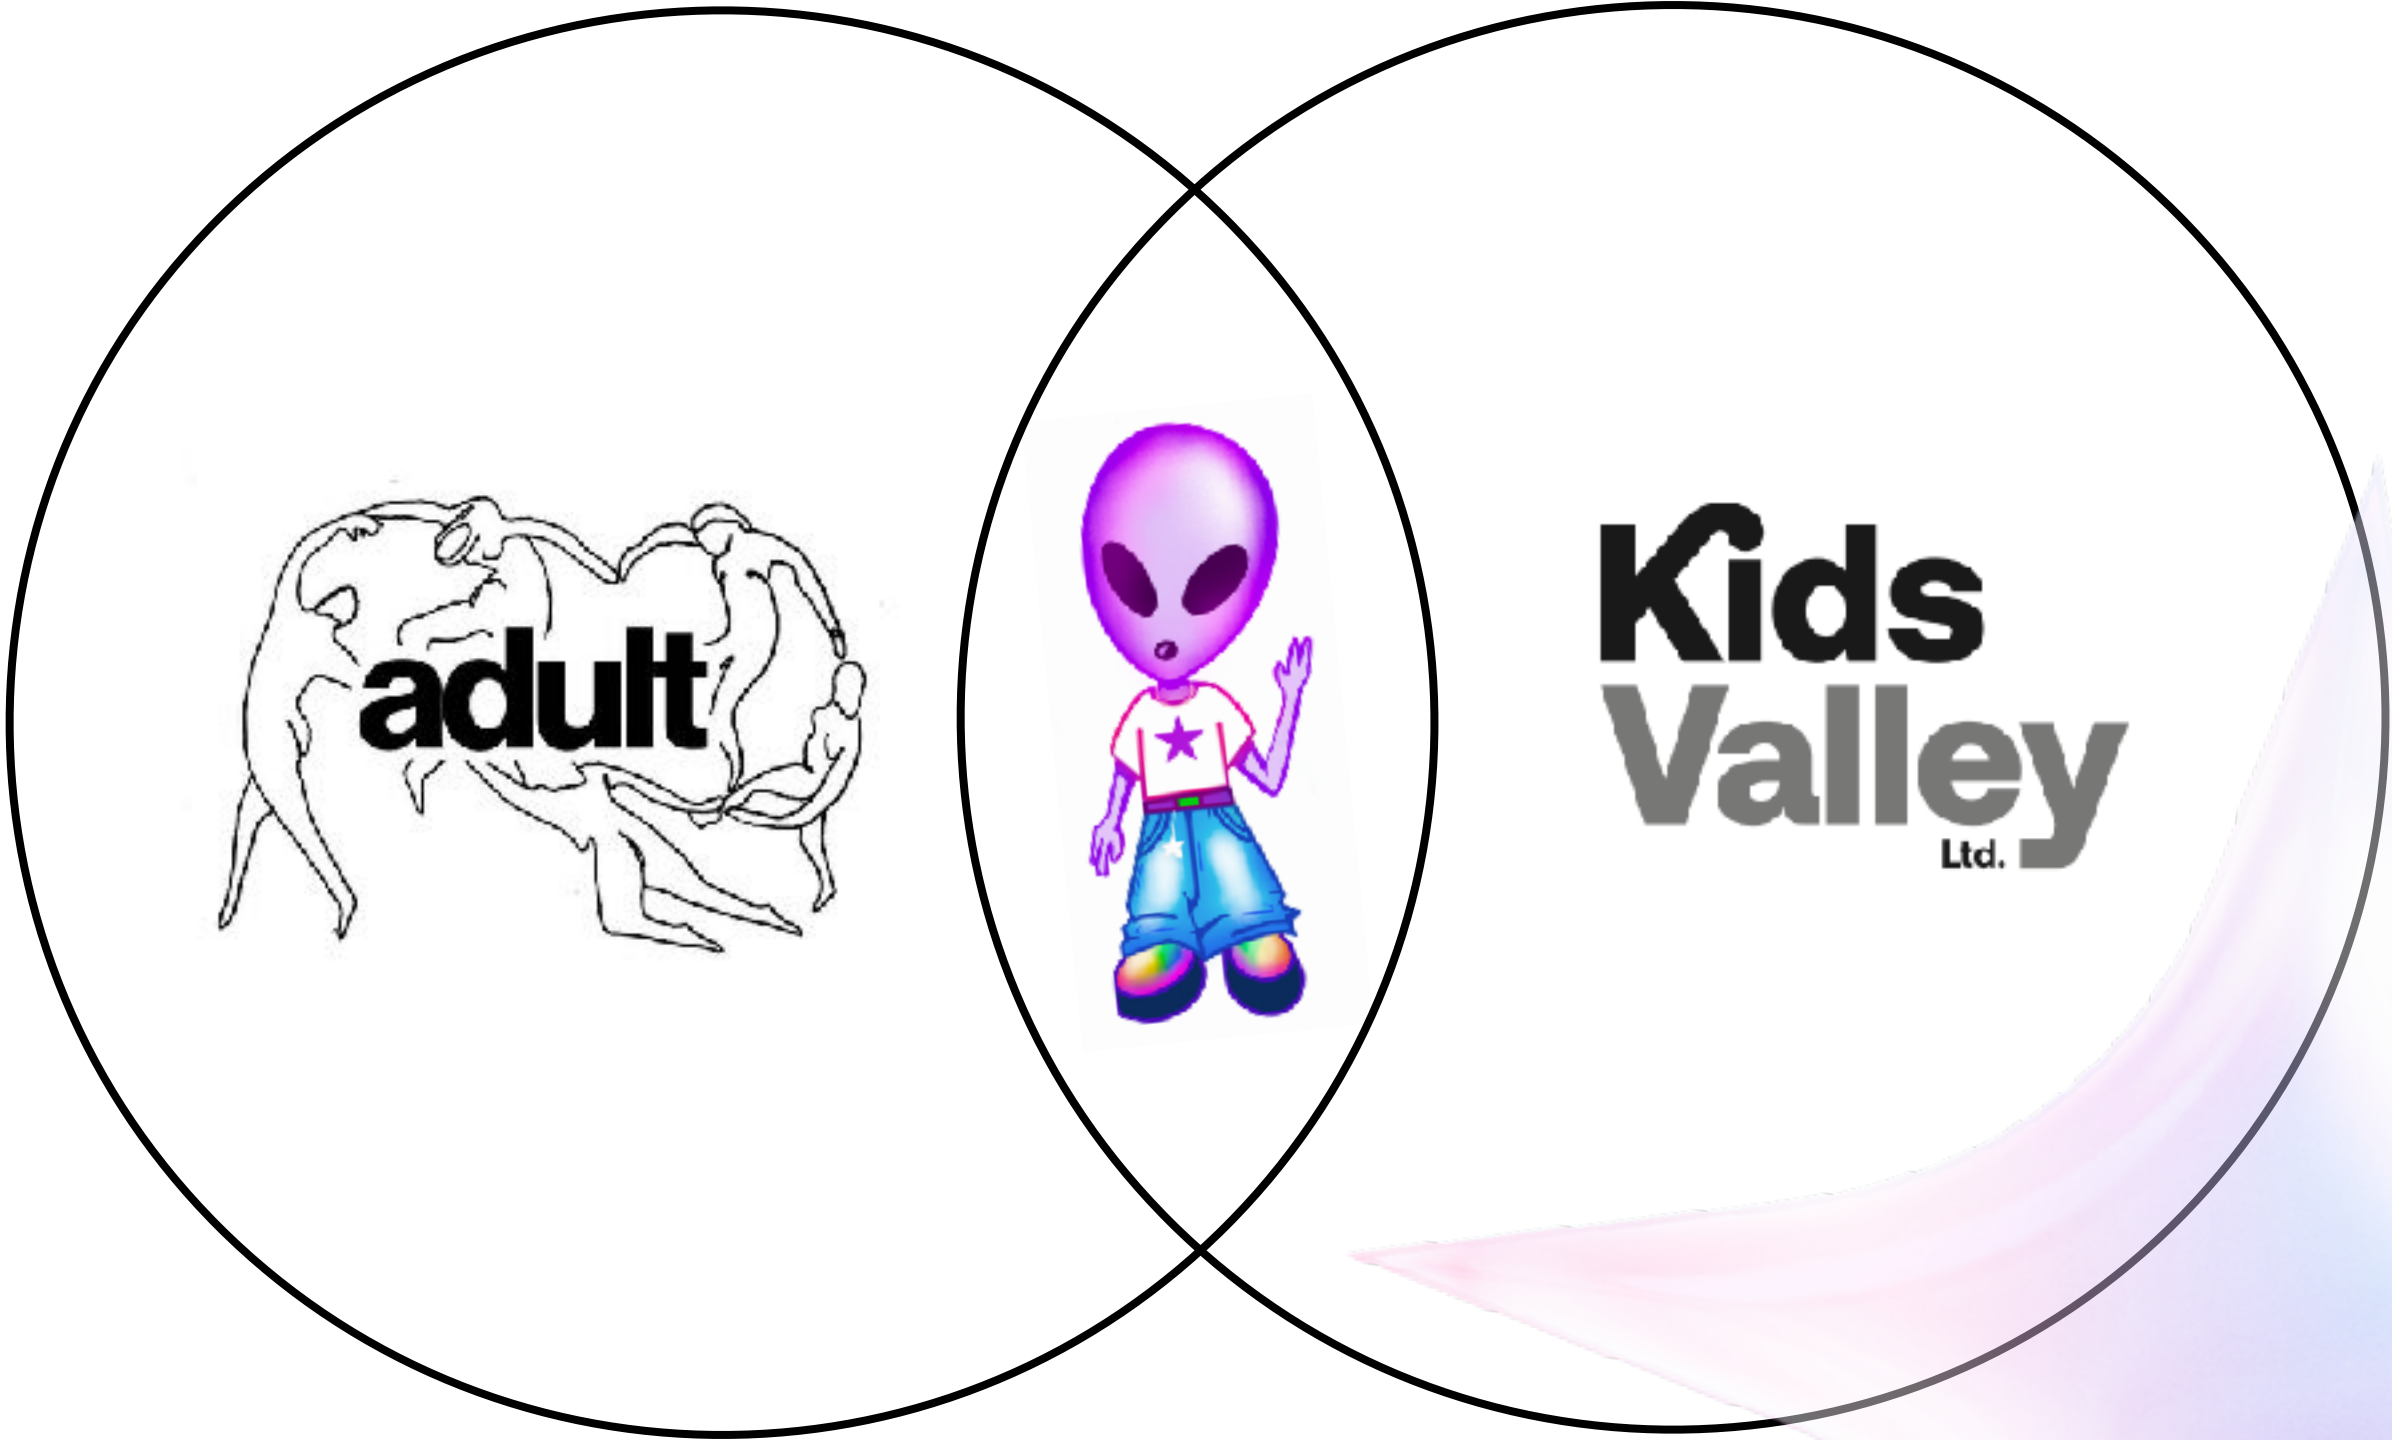

We develop **genderless and ageless products** that are rooted in **the now** and champion inclusivity, authenticity, and self-expression.

TODOTOYS
is a collaboration between
ADULT and Kids Valley.

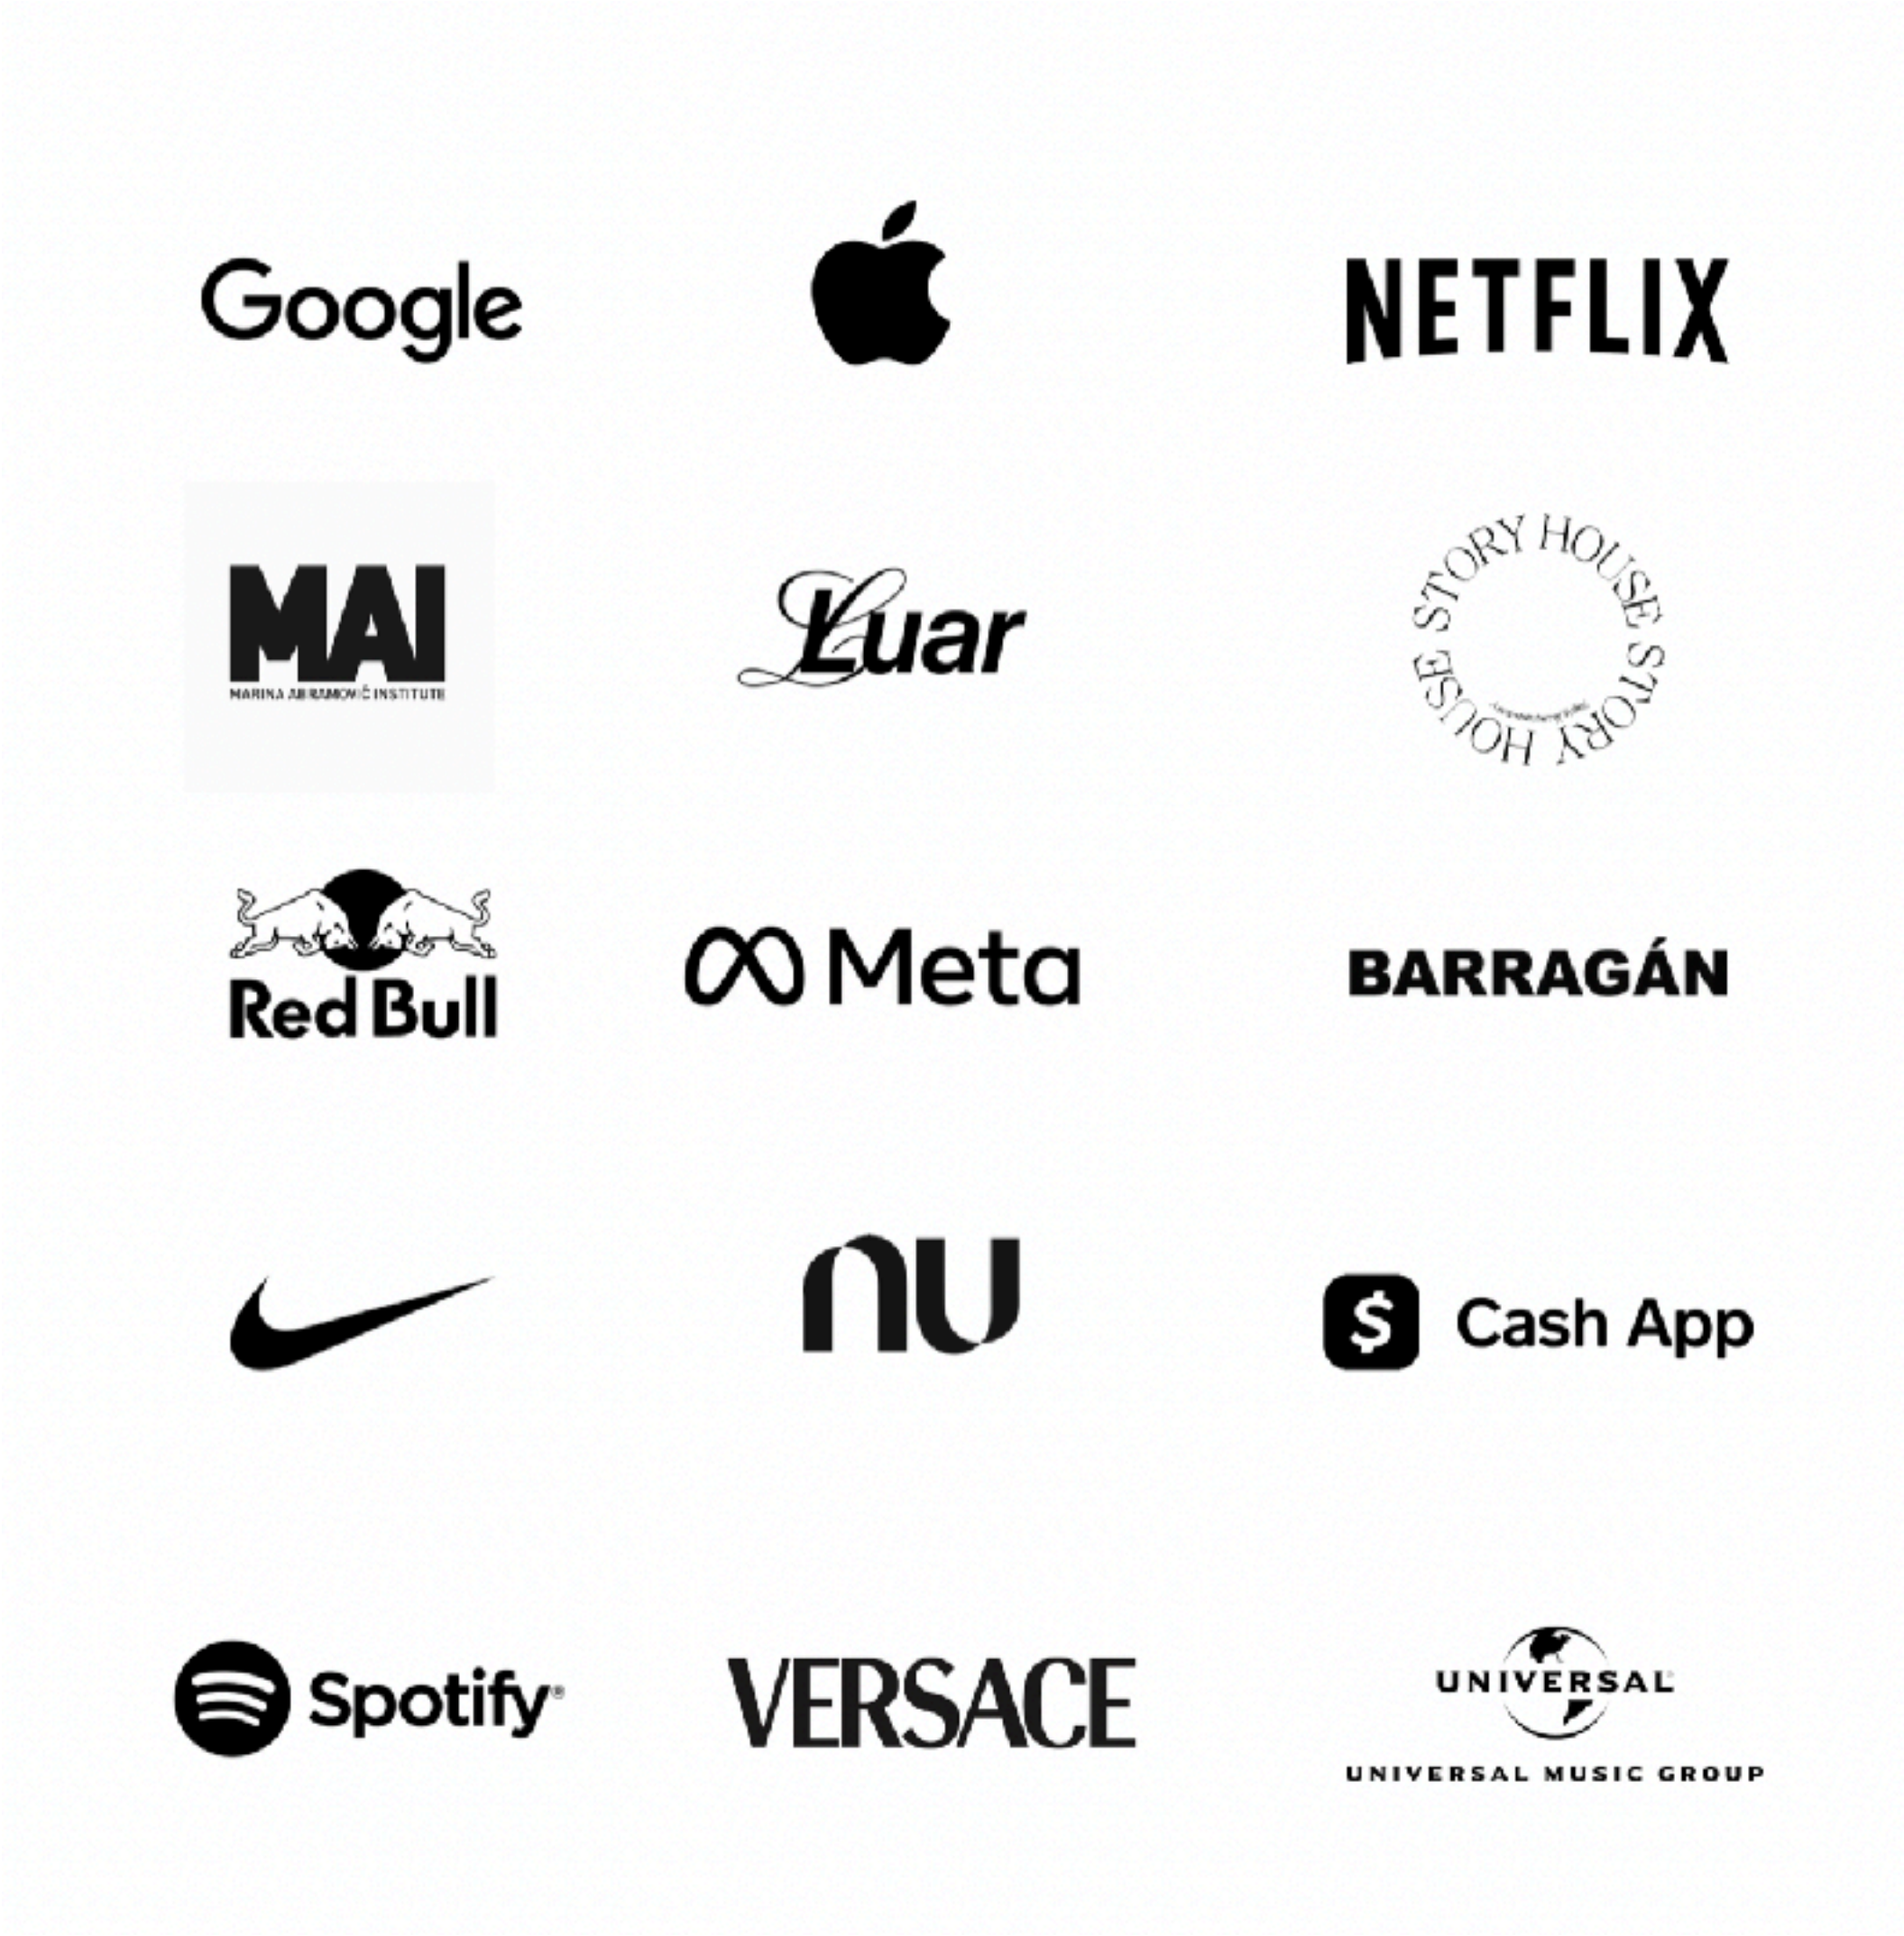

ABOUT ADULT

ADULT is post-disruption creative company that cultivates collective intelligence in the hope of growing a better future.

We are a New York City-based entity that creates and grows new ideas, products, and systems. We focus on developing long-term partnerships where we can test new possibilities of creative models. We build brands, activate culture and explore collaborations— through strategy, creative direction, content, community and more.

ABOUT KIDS VALLEY

KV is an international toy company founded on over 30 years of experience accumulated by its founders.

We develop and distribute our own brands and products, collaborate with other toy companies to co-create concepts, and provide specialized services to enable efficient and strategic global toy distribution.
